SUMMARY

Results driven Artificial intelligence Development at skilled in machine learning and algorithm development successfully enhanced AI functionality through innovative algorithm and effective data preprocessing proven ability to clean and manipulate raw data , demonstrating strong analytical skills and a commitment to excellence in project outcomes

EXPERIENCE

Artificial intelligence Development, 09/2025 _ current Thara kumari

- Developed basic algorithms to enhance AI functionality in projects.
- Assisted in data collection and preprocessing for machine learning models.
- Cleaned and manipulated raw data.

EDUCATION AND TRAINING

Bachelor of Science, Artificial Intelligence And Data Science,
06/2024 - current
Kaamadhenu Arts And Science College
- Sathyamangalam
